# CELEBRATING **15 YEARS** OF HOPE AND TRANSFORMATION

Over the last 15 years, we have helped transform thousands of lives. We've created programs that empower the formerly incarcerated and their families to build a successful future. We've welcomed new second chance partners, trained and equipped volunteers, and welcomed new donors with the opportunity to provide clients with a second chance at the American Dream.

As we reflect on 15 years of hope, we also look toward the future – the lives and communities waiting to be transformed. We are proud of our contribution to reduced recidivism, increased community safety, and the reuniting of hundreds of families.

The investment into successful reentry programs far outweighs the cost to incarcerate. Our committed partnerships with local law enforcement, community supervision, and our justice system are what help to make Hope for Prisoners different.

Help us reach more lives, help us dream bigger, help us to continue to build a safer community.

# A NIGHT OF HOPE

**Saturday, April 26, 2025**  
**VIP Reception at 5:30pm**  
**Dinner at 6:30 pm | Ballroom**

Join us for A Night of Second Chances, an evening full of HOPE as we continue to bring awareness and support to the reentry community that we have the privilege to serve. All funds raised will go toward expanding our vision, growing our team and serving more individuals and families in the coming year.
